7500 E. 6th Avenue

The Municipality of Anchorage (MOA) proposes to make changes to 6th Avenue from Patterson Street (Creekside Park) to Muldoon Road. Improvements may include drainage, road surface and sub-surface improvements, pedestrian, and bicycle facilities.

To ensure that all possible factors are considered in the proposed project, MOA is seeking public comments and recommendations. If you are a nearby resident, business owner, or frequent user of the road, your input is important to the project.

If you are unable to attend the meeting and have comments or you would like more information, please call us, send us an e-mail, or log onto the web site.
